In addition to the Company, Personnel number, Name and Activity fields for each person, this person's current leave account status and the calculated leave account status by the end of the year will be displayed.

In the calendar, requested periods of absence are indicated in italics. Absence times which have already been approved or for which a request does not need to be submitted are shown in standard type.

Planning absence times starts with a mouse click on the start date of the period of absence. A form will open in which the fields for personnel number, name and date are set automatically.

The dialog box titled "Absence planning" contains the following fields:

- Person:** 96665
- Name:** (empty)
- Date:** 09/01/2013 to 09/01/2013
- Absence reason:** - (dropdown menu)
- Commentary:** (text input field)
- Buttons:** OK, Cancel

The entry in the Comment field will be shown as a tooltip in the calendar. In addition, the comments on the days on which absence is planned are also shown in the attendance overview.

By clicking on a requested absence time (in italics), a dialog for approving or rejecting the request is opened:

The dialog box titled "Absence planning" contains the following fields:

- Person:** 96665
- Name:** Holzinger, Beate
- Date:** 14/01/2013 to 25/01/2013
- Absence reason:** Urlaub
- Commentary:** Resturlaub vom Vorjahr
- Reason:** (text input field)
- Buttons:** Approve, Reject, Cancel

The editor can also enter reasons for his/her decision in the Reason box.
