

1 Team

Menu	Quality management → FMEA → FMEA → (toolbar) Team
Transaction code	(can only be requested via the application FMEA)
Function authorization	fmea

The Failure Mode and Effects Analysis (FMEA) is a targeted method to identify potential failures at an early stage. Using this method, you assess the risks resulting from failures and develop countermeasures. Each FMEA is assigned to a team. You can request this application in the function *FMEA overview* by clicking the icon "Team" in the toolbar.

The screenshot shows the 'Teammitglieder' application window. The toolbar includes icons for 'Daten anfordern', 'Abbrechen', 'Druckvorschau', 'Alles drucken', 'Einfügen', 'Kopieren', 'Bearbeiten', 'Löschen', 'Speichern', and 'Hilfe'. The 'Selektion' section has dropdowns for 'Team Typ', 'Teammitglied', and 'Name 1'. The main area is divided into two panes. The left pane shows a table of team members with columns for 'Bereich', 'Team Typ', 'Teammitglied', 'Name 1', 'Name 2', and 'Name 3'. The right pane shows a detailed view of a selected team member, including fields for 'Team Typ', 'Teammitglied', 'Name 1', 'Name 2', 'Name 3', 'Aufgabengebiet', 'Telefon', 'Telefax', 'Mobil', and 'E-Mail'.

Purpose

This function allows to create a team with any number of members for a specific FMEA.

Integration

You can only request this application by selecting a specific FMEA in the function *FMEA overview* and by clicking the icon "Team" in the toolbar.

Requirements

In order to create individual team members, master data must be set up. Only team members from the following areas can be set up:

- Department
- External person
- Manufacturer
- Internal company
- Customer
- Supplier
- Person
- Allocation

Selection criteria

The application provides the following selection criteria:

Tab FMEA

Team type

You can filter using the manually assigned type number (see selection criteria)

Team member

You can search for specific team members using the selection menu.

Name 1

The system triggers a selection by the entries made in the field "Name 1".

Field descriptions

Team type

Alphanumerical field for free allocation of an FMEA number

Team member

Alphanumerical versioning of an FMEA number

Name 1, Name 2, Name 3

Display of field content of "Name 1", "Name 2" and "Name 3" from the master data entries. The customer name and the content of the address fields 1 and 2 are displayed for customers. The last name, first name and initials are displayed for external persons.

Area of responsibility

You can define the area of responsibility of the team member. You can select one of the following:

- Methodologist
- Moderator

- Specialist
- Team member
- Party in charge

Phone

You can enter the phone number of the team member.

Fax

You can enter the fax number of the team member.

Mobile

You can enter the cell phone number of the team member.

E-mail

You can enter the e-mail address of the team member.
